

## **P.E.A.C.E. Group Christ-Study Review**

At the conclusion of your study, please take a few minutes to review the following questions with your group. Please place completed form in Diana Vander Pas' POP mailbox. Thank you!

Leader Name and Group Type: \_\_\_\_\_

Title: \_\_\_\_\_

Author: \_\_\_\_\_

**1) What did your group enjoy most about this study?**

---

---

---

**2) What did your group like least about this study?**

---

---

---

**3) Would you recommend this study to another P.E.A.C.E. Group? Why or why not?**

---

---

---

**4) If you recommended this study, is there anything you would advise another group leader to be aware of while leading this study?**

---

---

---

**5) *To discuss with your group (do not complete on form):***

***How has this study impacted your life or changed your perspective? What topic do you think you would be interested in studying next? Is there anything about the format of this study that you would like to stay the same in the next study? Is there anything about the format of this study that you would like to be different in the next study?***
